Looking north: (A) former Bovard Field at USC, frequently used in movies, where Keaton filmed football scenes for *Three Ages* and baseball scenes for *College*, and where Lloyd filmed football scenes for *The Freshman*, (B) Shrine Auditorium, (C) Bovard Hall, beside which Keaton filmed *Seven Chances*, and (D) former USC College of Dentistry Building, the triangle building north of Exposition Park Keaton used for a joke in *Cops*.

View north with the freeway along the east side, showing Penrod's 3241 west side front porch at top, next the driveway between Penrod's home and neighboring 3425, with the pathway dividing the block into two halves, and last, the home at 3435 appearing behind Penrod as he encourages his dog Duke to chase after a stick.
